

Volunteer Vacancies

Your volunteer helps keep CRISP going. We are happy to provide references for work or placements, and contribution certificates if requested. All are P/T from one session or one term - or whatever occasional arrangement you would like to make. ☺
Thank you to all our fabulous volunteers this year!

Marketing/publicity Internship –Learn from the inside about generating publicity and marketing your organisation by helping us! Full support given for the role.

Sales Internship –Learn from the inside about generating new sales and marketing to old customers! Full support given for the role. This will involve work for a local and a national charity, giving an interesting scope.

Technical officer - share your skills in music and media film technology.

Music - Help us to download Sing up songs for our resources and make a resources CD/Mp3 file.

Film- help us edit films for publicity and reporting /evaluation purposes. We have a Mac or you may use your own equipment.

Social Media– Contribute your expertise to our organisation by helping us get connected with Facebook, Twitter, Linked in, etc and using it to best advantage! All contributions welcome even if you can't use all the methods.

Research Officer – Help us make a music map of Croydon. In the absence of Arts officers it would be helpful to have a music map of opportunities for participatory music. Full support given.

Music project volunteer – help us with youth projects if you play an instrument and can bring it to workshops to support the sound/creative work of the young people.

Song sharing – do you know someone from another culture (any) who would be willing to come and teach us a small song or chant from their faith or cultural background? Children's songs, lullabies, spiritual or work songs, chants all welcome.

Book-keeper – are you organised? Some assistance needed, small amount of work.

~~

Please feel free to forward this news to anyone who might like to know about our singing and music groups. Help us grow to become self sustaining! Thank you.

Catherine Pestano, Director CRISP Cornerstone House, 14 Willis Road, Croydon, CR0 2XX, 07981 298 541 communitymusiccroydon@gmail.com, <http://tinyurl.com/ccrispp>

CRISP is a charitable unincorporated voluntary group working towards full charitable status. We are based at the CVA building Cornerstone house which is accessible.
